NEW YORK, August 21, 2012 -- *Inc.* magazine today ranked Travisa Visa Service, Inc NO. 2514 on its sixth annual Inc. 500|5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Unified Payments tops this year's list. Travisa Visa Service, Inc. joins Yelp, yogurt maker Chobani, Giftcards.com, KIND and famed hatmaker Tilly's, among other prominent brands featured on this year's list.

Travisa has shown significant growth over the past several years. CEO Jan Dvorak noted "Travisa is working extremely hard and is proud to be included on this exclusive list of growing companies. We've expanded our offices and our teams as we look forward to another tremendous year."

In a stagnant economic environment, median growth rate of 2012 Inc. 500|5000 companies remains an impressive 97 percent. The companies on this year's list report having created over 400,000 jobs in the past three years, and aggregate revenue among the honorees reached \$299 billion.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/5000.

"Now, more than ever, we depend on Inc. 500/5000 companies to spur innovation, provide jobs, and drive the economy forward. Growth companies, not large corporations, are where the action is," says *Inc.* Editor Eric Schurenberg.
